

“LEADER IN ME LEAGUE” SPIRIT DAYS

The Leader in Me League is a select group of students from Fort Zumwalt West and South high schools that come to serve as mentors and role models for our PPE students. Once a month, the League will visit with grade levels during lunch times. You will see the League members' trading cards in your child's leadership notebook (white binder). This is an exciting program that encourages leadership, positive choices, and supports our district's Positive Peer Influence initiative.

On the days of their visits, we will have special “spirit days.” Please encourage your child to join in the fun!
