### Early Release

We will have an early release day on Wednesday, Sept. 16 for both our virtual and in person learners. Our dismissal is at 1:30 p.m. Please make sure the office knows of any changes to dismissal for your student by 12 p.m.

In person learners: Earlier this week, Ms. Shepard sent an email out regarding how your child would be going home on the first early release day. If you have not filled out that survey, please do so [here](#).

### Extras at Lunch

Beginning Monday, Sept. 14, the cafeteria will be selling extras during lunchtime. Students will be able to purchase the items listed below during their scheduled lunch. Please discuss with your child about whether you will allow purchase of extra items. Our cashier does not have access to account info during lunchtime. If a purchase is made that results in a negative balance you will be notified.

- Milk .65
- Juice, yogurt, cheese sticks, water .65
- Pudding .80
- Switch (sparkling fruit juice) only 4th&5th gr. .90
- Extra entree 2.05

It will be very important for you to check your child's account balance regularly using the Parent Portal, and discussing with your child about what you will allow them to buy.

### Notes from Nurse Kelly

Please remember to continue to do the wellness screening before sending your child to school. You can find a copy of this screening in the helpful links section of the newsletter. The clinic would also like to remind parents to send an extra mask in your child's backpack in case one gets dirty or wet. Lastly, it is a good idea to send an extra change of clothes in your child's backpack in case of an accident. Please let the clinic know if you have any questions!

### Parents Right to Know

As a parent of a student at Pheasant Point Elementary you have the right to know the professional qualifications of the classroom teachers who instruct your child. If you would like to receive this information please call Mrs. Orf at 636-379-0173.

## Picture Day

Picture Day for PPE students is Tuesday, Sept. 22. This includes all in person and virtual learners. More information will be coming about schedules for our virtual learners and how to order in the next week.

## Staff Spotlight: Mrs. Angelbeck

Mrs. Angelbeck teaches 1st grade at PPE. Mrs. Angelbeck is passionate about seeing the spark on a child's face when they finally understand the concept. The thing that she loves most about PPE is being able to say that she went to PPE in elementary school! It makes her extremely proud, especially since she is able to work here now! She loves how the staff work together and even get together outside of our school days. Mrs. Angelbeck, thank you for all you do! You make us PPE proud!

## Leader in Me Habit #1

Looking to reinforce the habits at home? [Try the Habits Homework that is linked on the website.](#)

Habit 1: Be Proactive®

- I am in charge of the choices I make.
- I can react to things happening around me, like a soda bottle fizzing over, or I can Be Proactive and choose my mood and attitude.
- I can do the things I need to do without being asked by my teacher or parent.

## Freddy's

Our PTO has been hard at work setting up community fundraising nights. Tuesday, Sept. 15 is our first fundraising night at Freddy's Frozen Custard on Highway K. You can run through the drive through any time between 5pm-9pm and a portion of the proceeds will go to our school! Thanks for all of your help in getting this set up!
