Meet Ms. Weinmann

Hi PPE Parents! My name is Cara Weinmann and I am working in the Fort Zumwalt School District this year as a School Social Work Intern. I will be working at PPE with counselor Angie Michalka, all day on Wednesdays and Fridays. I am currently in my second year of my Masters of Social Work (MSW) program at Washington University, working toward my MSW with a concentration in Children, Youth, and Families. I have always loved working in the school environment and being a student myself, so I am thrilled to be interning in FZSD! I have a passion for working with kids and their families, in order to support students to be academically, emotionally, mentally, and socially successful. I want to help each kid be the best person they can be, and support their caregivers in the process! I am so excited to get to work with your kiddos, thank you in advance for sharing them with me and helping me become the best school social worker I can be! Please feel free to email me with any questions, my email is, cweinmann@fz.k12.mo.us

Technology Tidbit

Trying to keep up with all of the club dates, early release dates, and other important PPE dates? Don't worry! We've got you covered. You can link your calendar on your phone directly to the PPE Website calendar. If you have the FZ app, you already get these events in the app. But here's how you can add it to your calendar!

ICAL link:

https://calendar.google.com/calendar/ical/fz.k12.mo.us_gcjvbo6qaf7fkknh1673q0go44%40groupp.calendar.google.com/public/basic.ics

Then you will have a box pop up on your phone that says: "Subscribe to the calendar PPE Calendar of Events (Public)"?

After you click "subscribe" another box will pop up on your phone that says: "The Calendar PPE Calendar of Events (Public) has been added"

If you have the "Google Calendar App" on your phone, you have a few more steps to do if you want this calendar on that app:

- 1) You need to log in to your Google account on a computer
- 2) Go to your Google calendar page
- 3) Find the section (on the left bottom of your screen) that says "Other calendars"
- 4) Click on the drop down arrow to the right side of the word "Other calendars"
- 5) Click on "Add by URL"
- 6) Copy and paste this URL in that box
https://calendar.google.com/calendar/ical/fz.k12.mo.us_gcjvbo6qaf7fkknh1673q0go44%40groupp.calendar.google.com/public/basic.ics
- 7) Click "Add Calendar" and check the "make publicly accessible" it should show up on your Google Calendar App on your phone or mobile device

Leader in Me Habit #1

Looking to reinforce the habits at home?
[Try the Habits Homework that is linked on the website.](#)

Habit 1: Be Proactive®

- I am in charge of the choices I make.
- I can react to things happening around me, like a soda bottle fizzing over, or I can Be Proactive and choose my mood and attitude.
- I can do the things I need to do without being asked by my teacher or parent.

MAP scores

4th and 5th grade Parents: MAP scores from Spring 2019 have arrived and individual score reports will be coming home at the end of next week with your child. If you have questions, please call the office at 636-379-0173.

Attendance

At PPE, we have set a goal for attendance that 96% of students will be here on a daily basis. Beginning next week, we will begin sharing our overall percentage of attendance for the week.

Playground Painting

A big thank you to Mrs. Michalka, Mrs. Fletcher, Kristin Bowen, Sara Hageman, and PTO for working on and providing funds for the playground painting over the summer.
