What is Fortitude?

It's our strength. It's the connections between Fort Zumwalt School District and the community our schools serve. Fort Zumwalt designed the FORTITUDE podcast to bring you a new style of conversation about our schools. It's our hope to bring you important news, interesting conversation and a few laughs. A new episode goes live every other Sunday! Find our first episodes at www.FORTITUDEOnAir.com, [YouTube](#), or your favorite podcast app.

Progress Reports

Third through fifth grade parents will be receiving your child's 1st quarter progress report on Thursday, Sept. 19. Teachers of kindergarten through second grade will only send a report if there are concerns. These reports will come home on paper in your child's folder. If you have questions once you receive the progress report, please contact your child's teacher.

PPE Celebration Assembly

This week we had our first PPE celebration assembly. Our fourth grade team and student leaders ran the show and it was great! Students practiced sitting with their nests and celebrated a lot of accomplishments here at PPE. Be sure to ask your child what their class is celebrating!

Attendance

At PPE, we have set a goal for attendance that 96% of students will be here on a daily basis. This week our attendance was 98.75%
