

HELP US SHINE

FOR THE 2018 WALK-A-THON

Due to the overwhelming success of our Walk-A-Thon fundraiser, we are excited to kick it off in 2018! We raised over \$30,000 in the last two years that has helped us purchase projector and dual screens, iPads for students and all teachers to use with Smartboards, Chromebook cart, playground equipment, STEAM Room furniture and supplies, Document Cameras, Soccer Goals and various other items to support

our school! The PPE Walk-a- Thon does not require our kids to sell anything, instead it promotes physical activity and school spirit!

We will kick off the Walk-A-Thon Fundraiser on Friday, September 7th! Look out for your children to bring home a packet of information, raffle tickets, prize sheets, etc. For 2 weeks each student can earn prizes for raising certain dollar amounts as well as have the chance to turn in a Raffle Tickets to be entered in a bi-weekly prize drawings. The PPE Walk-a-Thon date is Friday, September 21st. Each grade level will walk together approximately a mile with various stations throughout the walk, music and popsicles. Parents are welcome to attend and walk with their student or to cheer them on!

We are in need of donations for our Prize Wagon! These prizes will be raffled off biweekly starting September 11th. We will be accepting new items, such as, but not limited too: Plush Toys, Large Bags Of Candy, Craft Kits, Coloring Kits, Ear Buds, Small Toys, Sports Balls, or any small item or toy you think kids would love!

Please drop off all donations to the drop box outside the office by August 31st!

Please contact the Walk-a-Thon committee with questions you may have.
